# Mission

The **Union County Safe Communities Coalition (UCSCC)** is a community coalition that exists to increase community awareness of youth substance abuse and promote prevention and healthy choices in Union County.

We are excited to announce that the Drug Free Relay will become the **Drug Free Run** in 2016.

For the past 18 years, the Drug Free Relay has raised funds to support substance abuse prevention activities in Union County. Our mission remains the same while our goal is to infuse new energy into the event.

This year participants will have the option to choose between a 5K, 10K or family friendly one mile fun walk/run. The 5K and 10K events will be professionally timed.
