Mission

The **Union County Safe Communities Coalition (UCSCC)** is a community coalition that exists to increase community awareness of youth substance abuse and promote prevention in Union County.

We are excited to announce that the Drug Free Relay will become the **Drug Free Run** in 2016.

For the past 18 years, the Drug Free Relay has raised funds to support substance abuse prevention activities in Union County. Our mission remains the same while our goal is to infuse new energy into the event.

This year participants will have the option to chose between a 5K, 10K or family friendly one mile walk/run. The 5K and 10K events will be professionally timed .

The event committee is committed to making the **Drug Free Run** an epic event by moving it to beautiful MERA (Mt Emily Recreation Area). We will be promoting the event regionally as well as locally.

Please join us in working together for a safe, healthy, and drug-free community.
