BECOME A DRUG FREE RUN SPONSOR & SUPPORT UNION COUNTY YOUTH

For over 20 years the Drug Free Run (formally the Drug Free Relay) has served as a major fundraiser to support local efforts to prevent youth substance use in Union County.

With race lengths of 1 mile, 5k, or 10k, the Drug Free Run has something for everyone on the beautiful trails of Mount Emily Recreation Area!

Participants come from far and wide to hit the trails and support our youth! In 2017 the Run had an impressive 20% increase of participation from the previous year with 98 individuals.

As involvement in events such as the Drug Free Run increase, the reach of prevention activities in Union County also increases. Through the collaboration of community partners we continue to make a difference in preventing youth substance use in Union County!

2018 Drug Free Run
 Saturday, August 25

Help be a part of the solution and become a sponsor of the 2018 Drug Free Run.

Your support makes a difference for our community!
