

## The Union County Safe Communities Youth Council Member Application

Youth Council will involve youth from throughout Union County. This council provides a chance for youth to impact their local community, provides community service hours, offers letters of recommendation for applications besides looking great on scholarship applications and resumes! The Youth Council will develop and produce peer messaging and social media targeting youth Alcohol and Tobacco prevention. The Youth Council will identify, organize and host age-appropriate, drug-free, adult supervised alternative activities to prevent alcohol and tobacco use. Council Members will receive local leadership training as well as have the opportunity to be selected to participate in the annual CADCA leadership training.
